SEETA MANOJKUMAR

REACT DEVELOPER | FRONTEND ENGINEER | APPLICATION SUPPORT

+917013966325 | manojprfp@gmail.com | LinkedIn | Hyderabad

PROFESSIONAL SUMMARY

React Developer with 4+ years of experience building and maintaining enterprise web applications using React.js, JavaScript (ES6+), Redux, and Redux Toolkit. Experienced in reusable UI development, REST API integration, application state management, frontend troubleshooting, and performance optimization. Background includes accessibility testing and collaboration with cross-functional teams in Agile/Scrum environments. Open to React/frontend and application support opportunities; immediate joiner.

TECHNICAL SKILLS

Frontend: React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, SCSS

React & State: Functional Components, React Hooks, Context API, React Router v6, Redux, Redux Toolkit, Redux Thunk

API & UI: REST APIs, Fetch API, Responsive UI, Reusable Components, Performance Optimization

Tools & Delivery: Git, GitHub, Jenkins, Jira, Agile/Scrum

Testing & Support: Manual Accessibility Testing, WCAG, Screen Readers, Keyboard Navigation, Frontend Debugging

PROFESSIONAL EXPERIENCE

Accenture | React Developer *Jan 2022 – Feb 2026*

- Developed and maintained responsive enterprise web application interfaces using React.js, JavaScript (ES6+), functional components, and Hooks.
- Built reusable UI components to support maintainable frontend development.
- Integrated REST APIs to retrieve and display application data used Redux, Redux Thunk, and React Hooks for state management.
- Applied useMemo, useCallback, and debounced inputs to optimize frontend interactions and rendering.
- Debugged and resolved frontend issues and collaborated with cross-functional teams in Agile/Scrum workflows.
- Worked with Git and supported CI/CD workflows involving Jenkins.

Accenture | Accessibility Tester *Jun 2021 – Dec 2022*

- Performed manual accessibility testing against WCAG standards across web and mobile experiences.
- Identified and documented accessibility issues and shared recommendations with developers and designers.
- Checked compatibility using screen readers and keyboard navigation.

PROJECTS

Cox Telecom Application

- Developed and maintained a responsive telecom application using React.js and JavaScript (ES6+).
- Built reusable UI components and integrated REST APIs to retrieve and display application data.
- Implemented error handling and responsive UI behavior.

ShopSphere | E-commerce Frontend

- Built a responsive e-commerce frontend using React.js, Redux Toolkit, and SCSS.
- Implemented product listing, search, category filtering, price sorting, and debounced search input.
- Used useMemo, useCallback, and React.memo to reduce unnecessary re-renders.
- Designed a mobile-first interface with reusable React components and maintainable SCSS.

EDUCATION

Bachelor of Technology, Computer Science and Engineering | Mahatma Gandhi University, Nalgonda | 2015–2019 | 70%

ACHIEVEMENTS

- Customer Delightful Award for customer service and satisfaction.
- Solved 200+ problems on GeeksforGeeks.
- Solved 150+ problems on LeetCode.
